Subject: outfall location information

Roger,
Below is the outfall location information that I extracted from the draft permit for Washington Works. As you can see I highlighted which outfalls are associated with PFOA and HFPO. I added a column to indicate which outfalls will have effluent limits in the final permit and which are monitoring only. Attached is a spreadsheet with this same information. I'm curious to know what you find out, keep me posted.

<u>Outfall</u>	<u>Latitude</u>	<u>Longitude</u>	<u>Receiving Stream</u>	<u>Effluent limitations</u>	<u>Milepost</u>	<u>Discharge description</u>
